

ROBLEDO

family winery

2021 Selección Reserva Cabernet Sauvignon

Selección Reserva

This series represents wines crafted from premium sites within our estate vineyards. These wines are built to drink beautifully for at least ten years, featuring deep concentration and new oak, while still maintaining focus on balance and elegance. Each offering outstanding quality and distinct character, always showcasing the meticulous work we put into our vineyards.

Vineyards

Featuring a combination of Robledo estate vineyards in Red Hills, Lake County. Each planted with several clones per Robledo master grafting techniques. Soil type is red volcanic. Average vine age is 20 years.

Tasting Note

This wine is bright with a ripe purple fruit offering an elegant ruby color. Flavors and aromas of currants, blackberries, licorice, cedar, and spice. A beautiful medium-bodied Cabernet Sauvignon with a silky and velvety finish.
